

Attendance Management System for the Students

This is SHAIK MASTAN (N201049). I am studying PUC-2 in RGUKT,NUZVID.

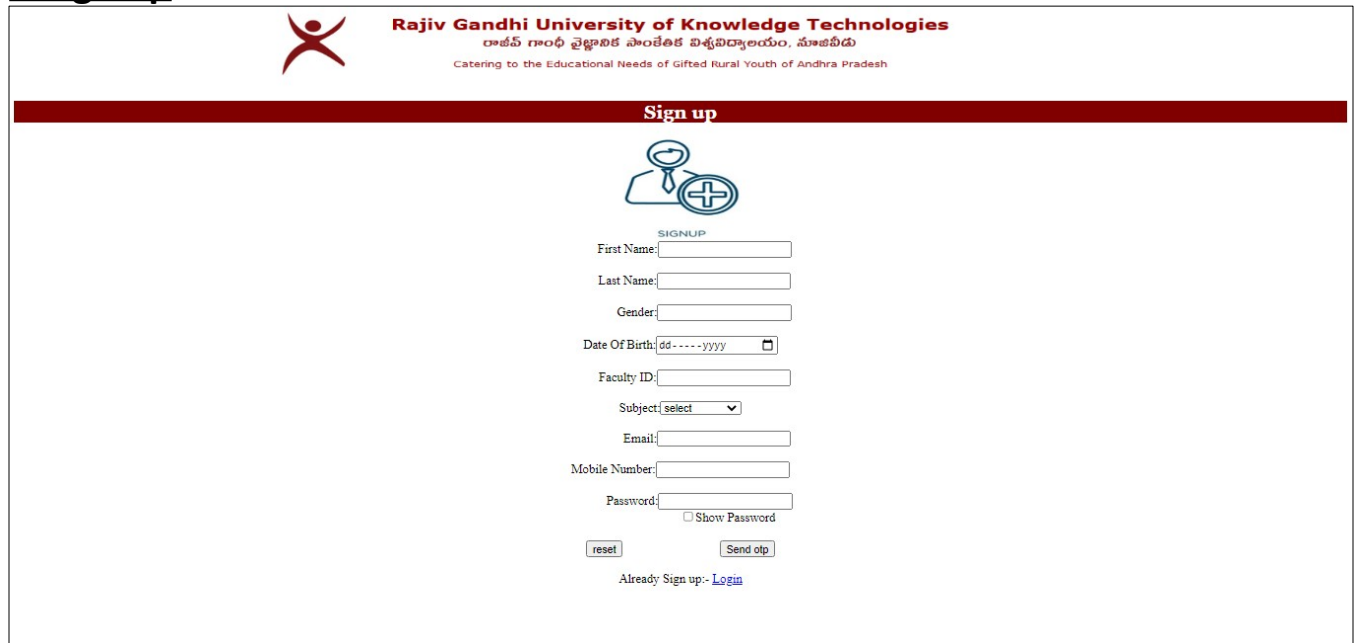

I will give my proposal for the Attendance Management System for the Students.

Sub:- Attendance Management System for the students

This is Attendance Management System to take the student's attendance. It is a website which can the faculty can login and select their respective classes and select the present/absents students of the class and submit it. It is easy and simple manner to take attendance of the students.
